

# Book Voucher Information

The Financial Aid Department of College of the Siskiyous no longer awards book vouchers. Instead, we have scheduled our first disbursement date for the Pell Grant to be before the start of the semester. In order to receive your Pell Grant on this first disbursement date you must:

- Complete the 20-21 FAFSA
- Be eligible for Pell Grant disbursements for Fall 2020/Spring 2021
- Maintain good Satisfactory Academic Progress
- Have your Financial Aid File complete at least TWO WEEKS before the first disbursement date. This means clearing all flags on your account. These flags can be viewed and completed by logging into your mySiskiyous account and selecting the "Billing and Financial Aid" tab.

## Other options for book vouchers

Other departments of College of the Siskiyous may offer book vouchers for eligible students. Some of these departments include:

- EOPS <http://www.siskiyous.edu/eopscare/eops.htm#services>
- Siskiyou Promise <http://www.siskiyous.edu/promise/>

## Additional help with books

If you are not eligible for book vouchers or need further assistance in gaining access to text books there are still a few options.

- Most of our text books are available for use in the COS Library
- If you are eligible for the TRIO program, they have a selection of books you may be able to borrow from their library.
- Ask around. Some fellow students may have the books you need and are willing to let you use them.
- Contact your instructors. Some instructors may have old editions of books or know of a different way to assist you.
