Re: Board Report of C2C4S activity, 6.13.2023

-K16 Collaborative Grant, year 2 budget and plan submitted on 6.1.2023

-Additional \$5000 S.H. Cowell Grant, submitted to North State Together and received. These dollars are to offset the cost of any activity that is connected with the K16 Collaborative grant, but cannot be paid for with those grant dollars. Examples include, food, lodging beyond the State set cap, and other unallowed expenses

-K16 subgrant MOUs are in draft stages. Organizations funded were

\*Mt. Shasta High School, to begin a First Responder pathway, linked to College of the Siskiyous Emergency Responder program, in the amount of \$53,125

\*Montague Elementary, to begin a middle school health occupations career exploration pathway, in the amount of \$13,300

\*Happy Camp Community Action, to support summer intern program & interns as future educators in the amount of \$25,025

-K16 Collaborative Grant, Marie Caldwell traveled with a team from North State Together, along with Partners for Rural Impact to Washington DC to meet with the US Dept of Education, US Department of Labor, USDA, and AmeriCorps National & State. In addition, we met with staff from Congressman LaMalfa's and Senator Padilla's office. This was a first effort to establish relationships with agency personnel at the Federal level to further the goals of our County Networks across the 10 County Far North Region.

-Siskiyou students (7 ) will be attending the UC Davis RESURG program, which links them in a two day conference with Medical students and researchers from the UC Davis Medical School. They will be at UC Davis Medical School July 7 & 8.
