

Eagle's Nest Report – June 13, 2023

SALES – BIGGEST SALES MONTH IN THE ENTIRE HISTORY OF THE EAGLE'S NEST

We made an AMAZING \$18,864!!!! A large part is due to the amazing students we have had this spring semester. They genuinely care about success and their commitment shows!

Volunteers/ Staff

- Paid Student Workers – 4
- Scholarship Students – 0
- Volunteers – 7 active
- County Workability Students – 1
- Community Service – 0

We have trained over 85 students, and I can proudly say I am included in many of their lives. I have attended weddings, baby showers, and have watched many of them go on to continue their amazing careers! These are the moments that make me proud to be a part of COS and the community,

We had our Volunteer Appreciation luncheon at Denny Bar Co. in Etna. Most of the volunteers had not been to Etna. Denny Bar gave us a wonderful distillery tour. We got to taste their gin as it was being made. We all agreed, we are not gin people. After a great tour and history lesson we had an amazing lunch.

Once we finished with lunch, we recognized the volunteers for their amazing contribution to the Eagle's Nest and to the community. The current volunteers have donated 8864 hours of their time. Two of our volunteers, Mary Ann Burdett and Wes Dutt have reached over 1000 hours. Jan Mauck has worked over 2000 hours. Finally, we recognized our Volunteer of the Year, Fay Mok. Fay has volunteered extra hours to help keep up on the never-ending job of clothing. She always has a positive attitude and is eager to help the students learn more tasks.

Over the previous 25 years, we have been gifted **87,408 hours** of volunteer service. WOW!!! If we were to multiply that by today's minimum wage. it equates to **\$1,354,824!!!** How impressive is that!

Community Events/Partnerships

Weed High School – I was invited once again to judge senior projects. This is the eighth year I have judged as a business professional. It is always exciting to see what interests the students and to hear about their college plans.

Demographics/Interesting Facts about the Eagle's Nest

History - Eagle's Nest has been an established business in the community since Dec. 2, 1997, that's 25 years! When you step back and think about how many businesses have come and gone in Weed over the last 25 years, it really solidifies our success in the community. I love to listen to our "old" customers tell stories to "new customers" on how they, "remember when it was on Campus" and have watched us grow and become such a huge part of the community.

Facebook Reach – we have 4.3k regular followers. Out of those followers, 62% are from Siskiyou County. The most exciting part, we have followers from all over the world...

India – 3

Australia – 12

Bangladesh – 2

Chile – 2

Philippines – 2

Ghana – 1

Nigeria – 1

Poland – 1

United Kingdom – 1

Out of all of our Facebook followers – 85.4% are women, 14.6% are men (no shocking surprise 😊)

Simple Consign POS system – we started using the POS system in 2014. The program allows us to track many categories. Since starting the automated program, we have had 94,803 transactions.

I hope you found all this information as great as I did!

Personal Moment

I can proudly say my third daughter Elyssa graduated from COS this spring. She graduated with two degrees, one in ADJ and the other in Liberal arts and science. She is continuing her education in forensic science at Sac State. She has accomplished this as a mother of two young boys and working full-time. I am not only proud of her as a mom, but as a proud COS staff person celebrating another successful COS student.

I wish all of you an amazing summer!

Angel

“Patience, persistence, and perspiration make an unbeatable combination for success.”

~Napoleon Hill
