Rexford 2nd. All approved</p> <p><b>Old Business</b></p> <p><b>I. CSSEE</b> Continuation of discussion. \$10k for CSSEE + Faculty Survey. Pros: Introduce a better sampling method. Samples could be difficult and CSSEE is able to do a random sample. Comparisons to other similar institutions. Rexford mentioned there is a possibility to develop a local survey over Summer for distribution to previous students in Sept. We could then ‘fall back’ on the CSSEE based on the results. <b>ACTION: IR to develop a survey over the Summer. Perhaps with an incentive (funds?). Char to schedule meeting in Sept to discuss results.</b></p> <p><b>II. GP Co-Chair and Pillar 4 Replacements &amp; recommendation to join with EM?</b> Val Roberts has offered to serve, temporarily, as GP Co-Chair until a Faculty member has been identified by the Senate. Pillar 4 co-Chair: It’s recommended that the individual is a member of the SLO Committee.</p>

MyPath Feedback</b></p>	<p>RE: Merging with EM. GP might lose its focus. There is a lot of overlap. One possibility, would be to have an EM/GP work session and EM Administrative Session. EM next semester will be challenging.</p> <p><b>ACTION: Rexford to recommend an individual to serve as Pillar 4 co-chair (interim).</b></p> <p><b>III. Vision Statement Draft</b></p> <p><b><u>Guided Pathways Vision (draft)</u></b>  College of the Siskiyous will create a holistic, student-centered experience with streamlined pathways, optimal learning and lodging environments, tailored support services and clear institutional processes.</p> <p>Pillar 3 Feedback (Regina). Removed ‘clear institutional processes and lodging environments’. Make it present tense. Streamline processes and pathways. COS is creating a student centered experience with streamlined pathways and learning.....</p> <p><b>ACTION: Regina to email Pillar 3 draft. Val to share Pillar 3 draft with Pillar 2 and get feedback.</b></p> <p><b>New Business</b></p> <p><b>I. MyPath Feedback</b>  Capacity to be good. Need to be mindful of the implementation. Main highlights: Low IT support, available resource, easy setup. Orientation/Onboarding: Josh and Charlie, would be willing to take on setting up and implementing MyPath. Need to enhance the career survey (6 or 60 questions).</p> <p><b>ACTION: Char to initiate implementation</b></p>
