## Meeting Notes

### I. Guided Pathways Visions Draft Feedback

*Guided Pathways Vision (draft): College of the Siskiyous will create a holistic, student centered experience with streamlined pathways, optimal learning and lodging environments, tailored support services and clear institutional processes.*

Last meeting, we discussed some changes to the Vision Statement. These changes are reflected below:

*College of the Siskiyous will create a holistic, student centered experience with streamlined processes and pathways, optimal learning environments and tailored support services.*

**The group agreed that the changes were correct and this is what we wanted to submit for our feedback.**

### II. Community College Survey of Student Engagement (CSSEE)-Summer Survey

Looking to develop a workgroup to help develop the survey. Nathan will be the point person on this. Would anyone like to volunteer for the workgroup?

**The Guided Pathways steering committee decided that rather than using the CSSEE we would like to create a personalized survey that will meet the specific needs of our students. The group decided to submit survey suggestions/questions to Regina and she will serve on the workgroup and pass suggestions along to Nathan. All survey questions will be submitted to Regina prior to our October Pillar 3 meeting.**

### III. MyPath Update: Potential launch date: October 1, 2020. MyPath displays 'tiles' appropriate for the student who is viewing (ex. Veteran, Athlete, High School) It also provides students, unsure of their major, with a career assessment.

**The generic MyPath website was shared with the group and questions were answered about the project.**

IV. Other area updates

**The library is open Monday and Wednesday from 8 am to 2 pm, and is alternating days with the ASC that is open Tuesday and Thursday. Both are closed on Fridays.**

**HQ is providing the same menu of services to our students while maintaining social distancing guidelines.**

**EOPS has extended the deadline for applicants and is providing one-on-one virtual orientations to those who missed the initial round of orientations.**
