

**Subject:** 4-28-21 All-Campus Update  
**Date:** Wednesday, April 28, 2021 10:55:00 AM

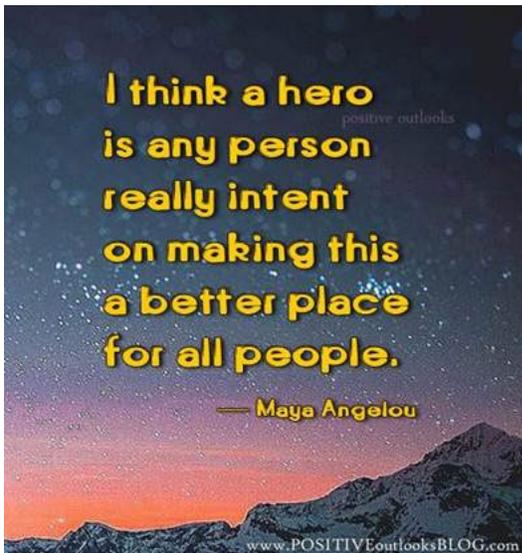

---

Hello Siskiyous and Happy Superhero Day to all of YOU....our Siskiyous Super Heroes! Especially today where we find ourselves transitioning, yet again, to remote operations.

Updates this week:

- **Phase Red:** Remember March 2020 when we had to close the campus due to COVID? Ya...so that's happening again. As a reminder, unless you are deemed essential, you are to work remote. Don't know if you are deemed essential? If you were deemed essential last March 2020, then you are deemed essential. If not, you are to work remote.
- **Safety Protocols:** This recent closure reinforces our need to continue implementing safety protocols (washing hands, mask wearing and 6ft. of social distance). Although many of you might be fully vaccinated, at this time, masks are still required. Until we are able to legally ask individuals if they have been vaccinated, everyone on campus will be required to wear masks both inside and outside the buildings. We will update you as soon as additional guidance becomes available!
- **Suggestion Box Comments:** Add HOME to the top menu of the website. Someone unfamiliar with our site, and other users as well, should have a simple way to return to the starting point. If you are a few pages deep and want to return to HOME, it isn't intuitive. – Thank you! I have forwarded this suggestion to Weblinks to see how we can incorporate a 'home' link.
- **Night, Night....Roger, Roger!** Kudos to Kitty Keim and her talented crew for this wonderfully, entertaining performance. I was in awe over the stagecraft, acting, producing and Zoom effects. Congratulations to all involved!
- **Did you miss an All-College Update?** Not to worry! All-College updates can now be accessed here: <http://www.siskiyous.edu/president/collegeupdates/index.htm>

Again, thank you for your patience, flexibility and resiliency. There are still many unknowns when it comes to the vaccine and the various strains of COVID. Our number one priority is keeping everyone safe.
