

Subject: 5-25-21 All College Update
Date: Tuesday, May 25, 2021 11:03:31 AM

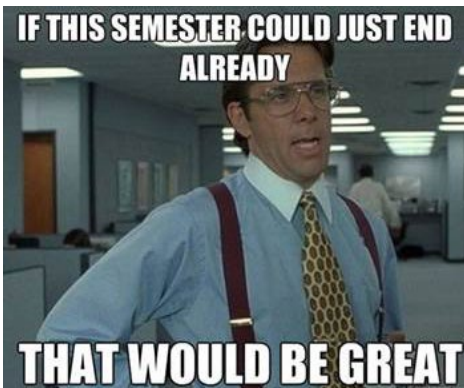

Hello Siskiyous and HAPPY FINALS WEEK!!

Congrats to making it to the last week of the semester and, THANK YOU for your patience, resiliency, countless hours and dedication. I'm hoping all of you have some R&R scheduled in the next few months.

This week's updates:

- **Reminder: May 28th is Mandatory Flex Day!** The agenda can be accessed here: <http://www.siskiyous.edu/committees/flex/documents/flexagendas.pdf>. Additionally, we have two, optional, Employee Recognition events which are also on the agenda. To accommodate those attending the afternoon Employee Recognition Event, as well as to give those who just want to start their weekend early a small break, the campus will close at 4pm on Friday, May 28th. Happy Memorial Day Weekend everyone!
- **New Instructional Service Agreements (ISA):** We have two ISAs which are making their way through the Participatory Governance process (both items are on tomorrow's Joint IPB/College Council Agenda):
 1. Butte County Office of Education: (link to Instruction Council presentation can be accessed [here](#)). This ISA consists of a teacher preparation program which targets disproportionately impacted individuals interested in becoming educators. Anticipated start date: Fall 2022.
 2. Mendocino College: To address community demand, Mendocino College would like us to offer our Paramedic Program at Mendocino: Our classes, our instructors, our equipment. We will receive all of the FTES. Proposed start date: Aug. 2021.
- **Interim 1.0 DE Coordinator posting:** We are in the process of posting an interim, 100% DE Coordinator Position. The original DE Coordinator job description (currently .5), is being combined with the .5 Instructional Designer position which was presented at the IPB Instruction Open Hearing and ranked high. The position will be posted for one-week.
- **Suggestion Box:** No new submissions.

Enjoy the rest of your week and see all of you on Friday!

Char Perlas, PhD MPA MS

Acting Superintendent/President
Vice President of Academic Affairs
