Hello Siskiyous and Happy National Video Game Day! Time to get out your Nintendo!

Updates this week:

- **July 12th - Welcome Back to Campus!** We are looking forward to seeing our remote workers back on campus on Monday, July 12th! To welcome you back and to acknowledge those who have continuously worked on-campus, a complimentary lunch will be served. Please stop by the Student Center on Mon. July 12th between 11:30a - 1p to grab lunch and say hello!
- **Safety Protocols** - A group of us have discussed the new OSHA guidelines and will be continuing discussions next week. Items worth further discussion include:
 - Masks*: Since we will have a combination of vaccinated and un-vaccinated individuals on campus, we are considering continued wearing of masks indoors for all (employees and students). The Student Code of Conduct would be revised to include a statement on mask wearing.
 - HealthScan App and Kiosk*: Since, at this time, we are not mandating vaccines, we will discuss the continued use of the HealthScan app and Kiosk check-in procedures. The group understands that whatever is decided needs to be consistent as to not confuse employees or students (ex. to wear a mask or to not wear a mask). Please communicate any thoughts you may have to your constituent representative (ASM, CSEA, FA). Our next meeting is scheduled July 13th at 10:30a. In the meantime, please continue following our current safety protocols.
- **New Class Approved for CSUGE Area F - PSY 1004/ETHN 1004:** As many of you know, the CSUs have implemented a new Ethnic Studies requirement. Thanks to Andrea Craddock, who developed the Course Outline of Record, and Michelle Knudsen who submitted the course for articulation/approval, we now have an approved course that meets the new requirement!
- **Enrollment Reports:** Thanks to our IR team, we now have Enrollment Reports! Reports can be accessed here: <https://www.siskiyous.edu/committees/enrollment/reports.htm>.
- **College of the Siskiyous T-Shirts!** That's right folks.....you can pick up your free COS T-Shirts! Just email Dawnie at Slabaugh@siskiyous.edu.
- **Hiring Updates:**
 - Interim Vice President of Academic Affairs** - I am happy to announce that Mark Klever has accepted the offer to serve as Interim Vice President of Academic Affairs. His start date was July 1st. As you know, Mark previously served as the Dean of CTE. We are currently in the process of screening applications for the Interim Dean of CTE position. More details on Mark's experience will be included in this month's Campus Connection.

Vice President of Student Services - We concluded a very competitive interview process and, are happy to announce that Patrick Walton has accepted the offer to serve as Vice President of Student Services. He will begin his Vice Presidency on July 19th, 2021. Patrick comes to us with 4+ years of experience as a Chief Student Services Officer at a rural, California Community College. More details on Patrick's experience will be included in this month's Campus Connection.

I want to sincerely thank Val Roberts for quickly stepping in as Acting Vice President of Student Services. Her dedication, countless hours and ability to address time sensitive student services issues (all while still maintaining her role as Interim Dean of LASS) is commendable. Words cannot express how much we appreciate Val for her tireless efforts.

Thank you!
