Hello Siskiyous and Happy National Dog Day!

Did you know that California ranks #1 out of 10 top dog loving states? To learn more and to read about dog loving stats, visit: <https://nationaltoday.com/national-dog-day/>.

*This week's updates:*

- **Enrollment Report:** Can be accessed [here](#).
- **Maintenance & Facilities Updates:** No construction is scheduled at the Weed or Yreka Campuses. The maintenance team is starting their professional development with virtual HVAC and Electrical training today. This will last for one full calendar year. They will be blocking out time daily to complete the training modules for certification.
- **Time Sheets:** This is a reminder that time sheets are due by the last day of each month. As a result of the holiday weekend, this month they are due **NO LATER THAN Friday August 30th**. It is vital that time sheets be submitted by the indicated deadline. Failure to do so puts an unnecessary strain on our payroll staff. Additionally, individuals who sign time sheets should confirm accuracy prior to signing (assuring that weekends and/or holidays (for example) are not being claimed as hours worked). If you haven't done so already, it's recommended that each area develop a checklist of their current staff members that are required to submit monthly timesheets. We appreciate your attention to this matter.
- **Save the Date - Common Legal Pitfalls for Administrators:** Thursday Sept. 19, 2024 from 12p - 1p. Join presenter, Eileen O'Hare-Anderson, Partner with Liebert Cassidy Whitmore, for this engaging and informative webinar! For more information and to register for this FREE webinar, click [here](#).
