Hello Siskiyous and Happy Classified Professionals Appreciation Week!

Classified Professionals Week offers us a special opportunity to recognize your hard work, your adaptability, and your ongoing dedication. Your contributions often happen behind the scenes, yet they are absolutely essential to the success of our students and the overall functioning of Siskiyous. You create a safe, welcoming, and efficient environment where learning and growth can flourish. A resolution acknowledging classified professionals will be read at the May 20, 2025 regular Board Meeting. Thank you for your ongoing dedication and support of our students!

This week's updates:

- **Enrollment Report:** The Summer Enrollment Report can be accessed [here](#).
- **What do you think of transportation in Siskiyou County?** Take the survey! See flyer attached. Survey can be accessed [here](#).
- **Staff Appreciation and Retiree Recognition Event:** Thursday May 29 from 8:15a - 2p. . You won't want to miss this special event filled with fun, food, prizes and recognitions. A Retiree Celebration will also be held during the event from 1p - 2p. To give everyone the gift of time, the Weed campus will be closing at 2p on that day. The Yreka Campus will be closed the entire day so that employees from the Yreka Campus can attend the event. Flyer is attached.
- **Convocation and Flex Day Agendas:** Convocation and Flex Days are scheduled Thursday Aug 14 and Friday Aug 15, 2025. Convocation will be different compared to previous years. Instead of updates and a keynote, we will be meeting in the Gym for a 5.5 hour Difficult Conversations workshop facilitated by Kern Beare (bio can be accessed on the agenda). This workshop is formatted as an interactive, small group activity. Both the Convocation and Flex Agendas can be accessed [here](#).
- **Difficult Conversations Book:** Each of you will be receiving the 'Difficult Conversations' book that accompanies our Convocation Workshop. The book is now available in HR. Feel free to pick up your complimentary copy prior to Convocation. Emkay is also facilitating a Difficult Conversations summer book club to allow for an opportunity to reflect on the readings. More information to come!
- **Update on Executive Assistant II Position Recruitment:** Due to our upcoming budgetary challenges, I have decided to pause recruitment of my Executive Assistant II position. I will revisit filling this position at the end of the 26-27 academic year.
- **Parkinson's Event:** Tuesday May 27 from 3p - 5p at Dignity Health Connected Living in

Redding. See attached flyer for details and to register.

SJEDI Corner

- **Trans Communication in Higher Education Webinar:** Friday, June 6 from 12p - 1:30PM. From athletics and multicultural events to health clinics and campus protests, transgender issues are increasingly present in higher education settings. This webinar will feature two leading experts on transgender issues and communication, who will explore how these topics are emerging on campuses—and how you can respond effectively and safely.
