Hello Siskiyou and Happy Pride Month!

This year's Pride Month Theme is 'These Colors Don't Run'. Kelly Robinson, President of the Human Rights Campaign states: *"This year, we're making one thing clear: These colors don't run—and they never will. The Pride flag is more than fabric; it carries the weight of generations who refused to be erased and the fire of those still rising. With World Pride here in the nation's capital, our visibility has never mattered more—and neither has our strength. That's why it matters that HRC is now 3.6 million strong. It's the largest base of support we've ever had, and it's growing in direct response to the attacks on our community. This is not just a number—it's a movement, a mandate, and a promise: we're not backing down. We're building a future where every LGBTQ+ person can live bold, safe, and free."*

- **Maintenance and Facilities Updates:** This week we will continue to have deliveries of sand to the tennis courts. Please use caution when walking on the west side of campus. Construction is set to begin in the Life Science and DLC buildings for swing space, today. Team Facilities has forklift and ariel lift training on June 2nd and 3rd. There will be minimal services during this time. A controlled burn is scheduled for this week and next at the Yreka campus. We will be sending our facility crew to Yreka to remove high grass and dead trees.

- **July 3, 2025:** There's a little confusion regarding July 3rd....is the campus closed in observance of the July 4<sup>th</sup> holiday which lands on a Friday this year? The answer is yes and no. On the approved academic calendar, July 3<sup>rd</sup> is not listed as a holiday. In the Summer Schedule sent via HR, it is. Regardless, we will need to close the Weed campus on July 3<sup>rd</sup> so that the City of Weed can repair the hydrant. The Yreka campus will also be closed that day.
