Hello Siskiyous!

I hope you had a wonderful 4th of July weekend!

This week's updates:

- **Enrollment Report:** Can be accessed by visiting the [Enrollment Report Webpage](#).
- **Maintenance and Facilities Updates: Tree Updates -**

7/7/2025- Student Center and LRC will be closed beginning at 9 AM - 1 PM today. It will be safe to return to both buildings after 1p but keep in mind, there will be a lot of noise near the Student Center Building.

7/8/2025 - Parking lot A in front of Life Science will be closed. Parking lot D will be open for use.

7/9/2025- Internal campus tree removal begins with crane. Several buildings will be impacted. Details forthcoming.

-Sand Volleyball court construction to continue this week and should be completed soon.

We are waiting on the wall pads to be delivered.

-Swing space construction continues in the Life Science building and will wrap up this week.

- **Tree Removal Town Hall:** Tomorrow at Noon. Flyer attached.
- **College of the Siskiyous Online Computer Science (AS) has been ranked #5 in TechGuide's 2025 list of the Most Affordable Online Associate in Computer Science Programs!** Thank you to Jesse Cecil for sharing this fantastic news! Article can be accessed here: <https://techguide.org/computer-science/most-affordable-online-associate-computer-science/>

Reminder: Keep it Clean Campaign! Research shows that a clean office significantly reduces the spread of germs and allergens, leading to fewer sick days and a healthier workforce. Dust, mold, and bacteria can accumulate in untidy areas, contributing to respiratory issues and other health problems. Regular cleaning minimizes these risks, creating a safer environment for everyone. The Public Information Office will be kicking off a 'Keep it Clean' campaign during the month of July. Boxes and other items need to be moved off of the floor and put onto shelves or disposed of in a trash bin. If an area has a large volume of trash, please place an FMX and Ronnie's department will utilize the trailer to fill and then take to the dump after it is filled.

Thanks all and have a great week!
