Hello Siskiyous!

This week's updates:

- **Enrollment Report:** Can be accessed by visiting our [Enrollment Report Webpage](#). Also, after meeting with Meghan and JT, I am happy to report that our enrollment increased 10.24% compared to AY 23-24. Keep up the excellent work everyone!
- **Maintenance and Facilities Updates:** The last three trees were removed yesterday (YAE). We will be marking tree trunks to be cut lower, and some will be removed in the next phase of work. Contractors will be on campus all week to remove, and grind identified stumps. Tree debris clean-up will continue through the week as well. Paving contractors will be onsite to measure upcoming projects. Ross Tile is working in the Juniper Lodge upstairs showers and should be complete with the project this week. Reep Fire will be in the Science building July 24th replacing a spent extinguisher canister in our chemical hood. Soccer man gate was cut into the soccer field fence yesterday. Contracts are being processed for the Yreka campus landscaping work and will begin operations the week of July 28th. The Yreka RHSI boiler replacement project is underway and should be complete in the next two weeks. Ronnie will be on vacation this week. For immediate assistance contact Tambie Pearson at ext.5233.
- **Amazon Locker Wrap:** Our Amazon locker will be wrapped with the attached advertisement during the month of August. Installation is scheduled between July 25 - August 1, 2025.
- **Still Accepting Trustee Area 1 Applications:** Flyer attached. Information and application can be accessed here: <https://www.siskiyous.edu/board/trusteevacancy.htm>. Share with those who may be eligible and interested. Deadline to apply is July 31, 2025.
- **ACCJC Visit this Thursday from 11:45a - 2:30p:** ACCJC Vice President Melynie Schiel will be visiting us this Thursday. We will be starting in the Board Room at 11:45a with President's Cabinet followed by a tour of the campus commencing at 12:45p. If you see us, please stop and say hello!

Have a great week everyone!

Char
