Hello Siskiyous and happy fall equinox!

Yes, shockingly, it's the first day of fall and October starts next week. I don't know about you, but I feel like I'm in a time vortex.

This week's updates

- **Enrollment Report:** Can be accessed [here](#). Speaking of enrollment, thank you to those who attended the Strategic Enrollment Management Academy. We had great attendance and were provided a lot of good information as well as tangible strategies. If you would like copies of the slides, feel free to reach out to me. HUGE thank you to Janice and Patrick for coordinating the logistics for the Academy! Good food was had by all!
- **Maintenance & Facilities Updates:** This week we have white box pest traps placed in areas of activity. Please do not remove or touch the boxes as they are being checked daily by morning and night shift staff. The cooling system will have to be turned off for repairs later this week. We will be removing the debris that was washed into the line during the breach. If you are not familiar with FMX and how to submit a work order, please reach out to Tambie Pearson (tpearson@siskiyous.edu) for personal instruction and shared links.
- **Preparing for Upcoming Construction:** Spoiler alert - Construction is noisy, messy and inconvenient. As we near the commencing phases of construction for the Student Housing Complex and Theater, we encourage you to attend the Safety Committee meetings to voice any questions/concerns you may have. The Safety Committee meets the 2nd Friday of the month at 9am in the Board Room. Email Tambie Pearson (tpearson@siskiyous.edu) for the Outlook Invite.

- **REMINDER: Mission Statement Survey:** Per Accreditation Standard 1.1 (The institution has established a clearly defined mission that appropriately reflects its character, values, structure, and unique student demographics. The institution's mission articulates its commitment to ensuring educational opportunities and successful outcomes for all students), it is time for us to review and update our current [mission statement](#). In efforts to ensure a inclusive approach where all voices are heard, we are soliciting feedback via the [Mission Statement Survey](#). Please complete the survey no later than *Mon. October 6, 2025*. College Council will identify a Mission Statement Taskforce who will review the data and recommend a draft. A town hall will be scheduled to review the recommendations and provide feedback. Our hope is to present a revised mission statement to the Board of Trustees in spring. Thank you for participating in this important endeavour!
