Colleague of the Month!

Our Colleague for the Month of December is.....LYNNETTE WILCOX! Lynnette currently serves as one of our amazing Academic Coaches, the Vice President of the Classified Senate, an OER Workgroup member and a Classified Professional Representative of IPB. Fellow colleagues boast about Lynnette's student-first focused work ethic, in which she prioritizes student needs to tailor her feedback to their learning styles. Lynnette's work on various committees allows her to have a greater focus on how the circumstances of other parts of the college can affect how she assists our students. Lynnette CARES not just about her job and her colleagues, but also about the students of our college. Lynnette, you are very much appreciated. Thank you for everything you do on a daily basis! Congratulations! **Note: There will be no Colleague of the Month for the month of January. We will resume in February.*

On Monday, Dec. 8, I will be attending an all-day meeting at Sierra College sponsored by the Campaign for College Opportunity & CCLC. I hope to send the All-College email on Tuesday, Dec. 9, 2025.

Thanks all and have a fantastic week!
