Hello Siskiyous and Happy National Poinsettia Day!

#### Poinsettia FAQ

Q. Can I grow a poinsettia all year long?

A. It's possible to keep your poinsettia growing long past the holidays, though most people do not. The plant is a bit temperamental and more work than most people want to put into keeping.

Q. Do poinsettias come in different colors?

A. Poinsettias' traditional blooms are white. However, the flower also comes in orange, pink, purple, red, salmon, and yellow.

Stop by the President's Office to pick up your complimentary, pink poinsettia ornament (while supplies last)!
