Hello Siskiyous and Happy Black History Month: 2026 National Theme: "A Century of Black History Commemorations",

This year's theme, established by the Association for the Study of African American Life and History (ASALH), marks 100 years since Dr. Carter G. Woodson launched "Negro History Week" in 1926. The 2026 observance focuses on the evolution of this celebration and emphasizes the vital importance of preserving accurate, inclusive historical narratives. It is a call to "look back so we can push forward," centering Black history as a foundational pillar of the American experience.

Coming Soon!: Visit the Student Center to view our Black History Month display! Thank you Steph Wroten and team!
