Hello Siskiyous!

As mentioned, during the Summer Session, I will be sending 'All-College Emails' as needed. This week, I want to share some GOOD news!

- **Assembly Bill 1555 Successfully Passes Senate Executive Committee with Bipartisan Support:** Last Wednesday, I had the honor of testifying before the Senate Education Committee alongside Assemblywoman Hadwick in support of AB 1555. This bill represents a two-year journey that began when I first approached then-Assemblywoman Dahle with the initial proposal. I am deeply grateful for the excellent guidance from Assemblywoman Hadwick's office, as well as the continuous support from both Senator Dahle and Assemblywoman Hadwick. To read the full press release and learn about the bill's next steps, please visit the [AB 1555 Press Release](#).
- **Siskiyous Law Enforcement Academy Honored with Public Safety Award:** The Law Enforcement Academy at College of the Siskiyous was honored with the Public Safety Award, presented by Assemblywoman Heather Hadwick. The award celebrates the academy's essential contribution to our region, recognizing its dedication to training and preparing the next generation of officers serving Siskiyou County and the entire North State. HUGE congratulations to the faculty, staff, and students of our Law Enforcement Academy for earning this well-deserved, prestigious award. Please visit our [Eagle Excellence](#) webpage to read more about their success and see why all of us have a reason to be Siskiyous Proud!

Have a wonderful week!

Char
