Hello Siskiyous!

First, huge thanks to everyone who made Soar & Explore a massive success! Your hard work and dedication to our students truly made all the difference. We received glowing feedback from both parents and students. They loved seeing our beautiful campus and learning about our tailored support. So many families mentioned how reassured and comfortable they feel knowing their students are in such good hands!

This week's updates:

- **Enrollment Report:** Can be accessed by visiting the [Enrollment Report Webpage](#).
- **Maintenance, Facilities and Construction Updates:** Ray Mac will be at Eddy Hall installing the correct economizer part. Diversified Electric will be in Life Science installing an outlet for the art department. Ronnie will be walking electrical contractors through RHSI for a lighting retrofit project that will begin when the procurement process is completed. The contractors will begin to abate and remove the theater roof this week. The foundation pad for the student housing is scheduled to be poured on August 14th. Starting Tuesday, August 4th, 2026, the City of Yreka, in partnership with Western Grazers, will begin a targeted goat grazing project to reduce wildfire risk across approximately 18 acres at Greenhorn Reservoir and the Yreka Greenway. At tomorrow's Construction Town Hall, Ronnie will be providing a scope presentation on the Theater/McCloud Hall Construction Project.
- **AvenueM Application Now Open!** AvenueM is a community college to medical school pathway program that aims to reduce barriers to entry to medical and other healthcare careers. The program is designed for undergraduates committed to addressing the health care needs of Northern California's urban, rural and remote populations, developing physicians committed to improving care for medically underserved communities. Students who are early in their community college coursework or plan to transfer to a transfer institution in Fall 2027 or beyond are encouraged to apply. The deadline to apply is Sunday, November 1st at 11:59 pm Pacific Time. For more information and to access the application visit [AvenueM](#).
- **Streamlined Support for ID Verification: Tips & Tricks for Staff:** August 6, 2026, 12:00pm-1:00pm. Please join our office hours to learn more about the Technology Center's account-level tools and other utilities that can streamline your student ID verification and fraud evaluations. To register, click [ID Verification](#).

- **Save the Date: 1st Annual Rise from the Ashes Music Festival!** Saturday Sept. 5, 2026 from 2p - 10p. Charles Byrd Park in Weed, CA. For more information and to purchase tickets, visit [Historic Lincoln Heights Association](#).

Have a wonderful week!
