Hello Siskiyous and Happy World Gratitude Day!

Practicing gratitude delivers wide-ranging benefits for both mind and body. It enhances sleep, reduces stress, strengthens immunity, eases depression, and raises self-esteem. Additionally, being thankful improves social and professional relationships, proving that gratitude is a key driver of overall success and wellness.

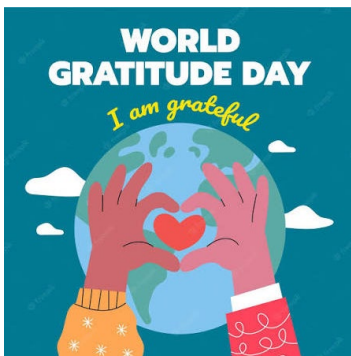

This week's updates

- **Enrollment Report:** Can be accessed by visiting the [Enrollment Report](#) webpage.
- **Maintenance, Facilities and Construction Updates:** This week C & R Combustion will be finishing up boiler maintenance just in time for the winter season. Maintenance and custodial teams will be supporting the Preview Day on Tuesday and will be busy setting up, taking down and moving items throughout the day.
- **Notice of Campus Closure:** Essential maintenance requires the City of Weed to perform necessary repairs, resulting in a temporary water service interruption. As such, the Weed & Yreka campuses will be closed on Friday, Sept. 25, 2026. Blue rooms will be accessible during the closure. Grab-and Go meals will be available in Food Services the evening prior, Thurs. Sept. 24, 2026.
- **Employee Food Pantry:** Beginning with the 2026–27 fiscal year, California Assembly Bill 148 (AB 148) requires California community college campuses to provide classified employees with access to food pantry services offered through their Basic Needs Centers. In accordance with AB 148, College of the Siskiyous classified staff are welcome to utilize the Basecamp Food Pantry. Classified staff may access the pantry in either of the following ways:
 - During Basecamp's regular business hours Monday-Friday from 8:00 am to 4:00 pm.
 - Confidential access hours: Mondays and Thursdays from 4:00–4:30 p.m. for employees who would prefer additional privacy when accessing the pantry. If you have any questions about classified staff access to the Basecamp Food Pantry or the process for utilizing the pantry, please reach out to Regina Weston, Director of Basecamp at 530-938-5787 or by email at: rweston2@siskiyous.edu. HUGE thanks to Regina and Basecamp Staff for coordinating these efforts!
- **How Artificial Intelligence is Shaping Higher Education:** The recording of this presentation can be accessed by clicking [AI Presentation](#). I will email the slides once received.

- **When to call 5911?** Please see attached graphic which highlights when to call 9-1-1, 5911 and when to submit an FMX request.

- **Fall 2026 Social Justice Equity Diversity Inclusion (SJEDI) Fireside Chats:** 2nd and 4th Thursdays from 12p - 1p in the Weed Campus Board Room or via Zoom. First session is scheduled this Thursday Sept. 24, 2026 and will be focused on Nonviolent Communication - Part 1. As a preview, you can watch this short [Giraffe Language and Jackal Language](#) video. Complimentary lunch will be available (while supplies last) for our first session. We hope to see you there!
