Date: November 21, 2022

Catch up, keep up, or get ahead! Registration for 2023 Winter Session Classes is Open

COS / Weed –Registering for a Winter Session class (or two) is a great way to ‘catch up, keep up, or get head’ in your education. College of the Siskiyous provides transfer classes to four-year colleges, associate degrees, vocational certificate programs, job skills classes, and courses for personal enrichment and recreation. Winter Session classes will begin January 3, 2023. The majority of classes offered during the four-week intersession are online.

The College offers many services to students including advising and counseling, two residential lodges, tutoring, financial aid, and an onsite campus bookstore where students may also purchase their books and supplies. Be sure to register early to get the classes you need and want.

For more information about attending COS, or to schedule an appointment with an advisor or counselor, call the Counseling and Advising Office at (530) 938-5353 or email your request to counselingservices@siskiyous.edu. The office will provide you with the help you may need to clarify and successfully complete your academic and career goals. Advisors and counselors are generally available from 8 a.m. to 5 p.m. Monday through Friday.
