COS Performing Arts Department Announces Auditions for "She Kills Monsters"

Weed / COS – The College of the Siskiyous Performing Arts Department excited to announce auditions for the 2023 fall production of "She Kills Monsters" will be held Wednesday, September 6 from 5 to 8 p.m. at the Weed Campus.

"She Kills Monsters" is a story about kids who make up stories, stories in which girls wield swords, and nerds rule the earth. This zany, fantastical play by Qui Nyugen, is a comedic romp into the world of fantasy role-playing games. "She Kills Monsters" follows the journey of Agnes Evans as she leaves her childhood home in Ohio following the death of her teenage sister, Tilly. When Agnes finds Tilly's Dungeons & Dragons notebook, she stumbles into a journey of discovery and action-packed adventure in the imaginary world that was Tilly's refuge.

In this high-octane dramatic comedy laden with homicidal fairies, nasty ogres, and 90s pop culture, acclaimed young playwright Qui Nguyen offers a heart-pounding homage to the geek and warrior within us all.

Auditions for this exciting production will be held on September 6 from 5 to 8 p.m. at the Kenneth W. Ford Theater on the Weed Campus with call backs the following evening. The Performing Arts Department encourages anyone who is interested to audition, regardless of age, ethnicity or experience level. For more information send an email to carpentier-alting@siskiyous.edu. Those auditioning should prepare a joke as part of their audition.
