The Siskiyou Joint Community College District, College of the Siskiyous is committed to a policy of non-discrimination in employment and education opportunity. In accordance with applicable Federal and State Law, does not discriminate on the basis of race, color, national origin, sex, religious preference, age, disability (physical and mental), pregnancy (including pregnancy, childbirth, and medical conditions related to pregnancy or childbirth), gender identity, sexual orientation, genetics, military or veteran status or any other characteristic protected by applicable law in admission and access to, or treatment in employment, educational programs or activities at any of its campuses. College of the Siskiyous also prohibits harassment on any of these bases, including sexual harassment, as well as sexual assault, domestic violence, dating violence, and stalking. (<https://www.siskiyous.edu/humanresources/nondiscrimination.htm>)

Title IX is a federal civil rights law that prohibits sex discrimination on the basis of sex in education programs, including athletic programs, or activities that receive federal funding. Title IX covers non-discrimination based on sex or gender, sexual harassment and sexual assault, and program equity, such as athletics. (<https://www.siskiyous.edu/mainfiles/titleIX.htm>)

College of the Siskiyous has designated a Title IX Coordinator(s) to monitor and oversee Title IX compliance. Your college Title IX Coordinator is available to explain and discuss: your right to file a complaint; the complaint process; how confidentiality is handled; available resources both on and off campus; and other related matters. The Title IX Coordinator(s) for College of the Siskiyous are:

ABOUT COLLEGE OF THE SISKIYOU

College of the Siskiyous is one of 116 community colleges located in California. Our main campus is located in the City of Weed at the base of Mount Shasta. We also have a campus center located just 30 miles north in the City of Yreka. Our environment and community are natural labs for many of our programs and for others a great place to explore when there is free time.

The College is known for its excellent programs in the humanities, arts, sciences, technology, and in athletics. Athletic programs offered include Men's and Women's Basketball, Soccer, Track & Field, Football, Baseball, Softball, Volleyball, and Beach Volleyball.

We also offer a variety of Career and Technical Education (CTE) programs such as Fire Technology/ Fire Fighter Academy, Emergency Medical Services/ Paramedic, Administration of Justice/Law Enforcement Academy, Nursing, and Welding, to name a few.

We are also one of 12 California Community Colleges that offers on campus housing for our students. Two student lodges with on-site food services are able to accommodate up to 175 students. A new housing unit will offer an additional 150 beds, with move in scheduled for Fall 2027.

There are also many opportunities for outdoor recreation and sports participation including disc golf, hiking, camping, running, swimming, bicycle touring and mountain biking, rock and mountain climbing, hunting, fishing, rafting, kayaking, and boating. In the winter, there is downhill and cross-country skiing, and snowboarding on beautiful Mount Shasta or Mount Ashland to the north in southern Oregon.

Here are some more great reasons to choose College of the Siskiyous...

- ***We are located in a beautiful, scenic location:*** Located at the base of Mount Shasta (one hour south of the CA/OR border), our campus and surrounding area are breathtaking! With four distinct seasons, you can enjoy an abundance of outdoor recreational activities throughout the year.
- ***We are a small campus and feature small class sizes:*** You are not just another face in the crowd! At COS, the average class size is 23, which allows for greater individual attention from instructors and staff.
- ***Our faculty and staff truly care:*** We have a very knowledgeable and experienced faculty and staff. You will find a smile and a helpful attitude whether you are in an office or walking across campus. We know our students and care about their success.
- ***We offer great support programs and resources:*** Focusing on student success, we offer a wide variety of support services, which provide personal guidance and assistance to students. COS also offers tutoring and an academic success center which are free to all enrolled students.
- ***Our location helps us to offer a safe environment for learning and living:*** We offer a safe, rural environment for our students.

Our students repeatedly express their feelings regarding their experience at College of the Siskiyous in terms of the warmth and friendliness of the faculty and staff, the availability of quality instruction in a caring atmosphere, and their level of preparedness for life beyond College of the Siskiyous.

REGISTERING FOR CLASSES

Whether you are new to college life, a community member looking for fun and interesting classes, a continuing student, or a Kindergarten-12th grade student, you are welcome at College of the Siskiyous. Admissions and Records is here to help make your experience a success!

Once you have applied for admission to College of the Siskiyous through OpenCCC - a California Community College application management system (<https://www.siskiyous.edu/admissions/CCCapply.htm>) and received your student ID and mySiskiyous user name, the mySiskiyous portal is your one-stop location for COS student information.

mySiskiyous is where you can:

- Register for classes (click on Registration tab, then Search for Classes)
- Check the status of your classes and grades (click on Academic tab, then 'MySchedule')
- Access your student email account (click on Campus Life and scroll down to Technology, Activate Email)
- Access your transcripts (click on Academic tab, scroll down to Transcripts)
- And more...

Eligibility - Any person who meets one of the following requirements is eligible to attend College of the Siskiyous:

- Any person 18 years of age or older
- Any high school graduate
- Recipients of the California High School Proficiency or the G.E.D. test
- High school students who have met all established special conditions set forth in the school board's policy, has written permission from the high school principal (or elementary, junior high school superintendent) and parent
- Is an international student who has followed special admission procedures for international students and has paid the non-resident fee.

For more information about the application process, visit the CCC Apply page.

(<https://www.siskiyous.edu/admissions/CCCapply.htm>)

HOW TO REGISTER FOR CLASSES

- **Option A – Online through your mySiskiyous portal.** When you applied to College of the Siskiyous or registered the first time, you were automatically set up with an account. If you know your user name and password you can always register in this mode. If you cannot remember your user name and password you can contact our Student Help Desk (530) 938-5523 to get set up.
- **Option B – E-signature.** We have set up the registration form to be signed electronically from your computer. Complete the form with the class you are interested in and sign electronically. Once you hit submit it automatically delivers the form to the Registration Office.

- **Option C – PDF Printable.** If you do not want to sign electronically you can print a copy of the registration form and either fax or email it in to our office.
- **Option D – In person at the Weed or Yreka Campus.** Call the Admissions and Records Office for information regarding service hours or other information.

NEW TO SISKIYOUS

First Time or Transfer Student - Steps for Enrollment

Step 1: Apply to the College

Prospective students must complete an application to attend. Go to the Siskiyous homepage (www.siskiyous.edu), click on “Apply” and then follow the instructions.

- Within 24 hours, you will receive an email confirmation with your new Siskiyous student ID (also known as S number) and the mySiskiyous student portal login information.
- Contact Admissions and Records if you do not receive this email.

Step 2: Apply for Financial Aid

Many people do not realize that they qualify for Financial Aid benefits, so we recommend that everyone apply. Fill out the Free Application for Student Aid (FAFSA) to get started. The FAFSA helps determine whether students are eligible for Federal loans, grants or work-study programs.

What you will need:

- A Federal Student Aid ID to sign electronically
- Your Social Security Number
- COS College school code: 001187
- Your federal income tax returns, W-2s and other records of money earned

Note: The FAFSA asks about 100 questions and can take about 30 minutes to fill out. If you gather all of the documents you need ahead of time, it will be much easier and faster. After you complete the FAFSA, allow 5-7 business days for the Financial Aid Office to process your application. Check the status of your application by logging into the mySiskiyous student portal and clicking on the ‘Billing & Financial Aid’ tab. Contact the Financial Aid Office if you have questions.

Step 3: Send in Official Transcripts

COS uses a holistic approach in assessing a student’s overall preparedness for courses such as math and English. To expedite placement in your classes send in your official high school or college transcript to:

College of the Siskiyous
ATTN: Admissions and Records
800 College Ave
Weed, CA 96094

Step 4: Orientation

Your next step is to set up a Siskiyous Orientation, Advising and Registration (SOAR) Session. SOAR sessions can be completed in person or online. To schedule a SOAR, contact our Counseling and Student Support Programs department:

Email: counselingservices@siskiyous.edu
Phone: (530) 938-5353

What is a SOAR? A SOAR session is a mandatory orientation for new students. During your SOAR session you will receive advising, a class schedule, and a campus tour. Please check the SOAR web page for more details and dates of upcoming orientations. (<https://www.siskiyous.edu/counseling/orientation/>)

Step 5: Access your mySiskiyous Portal

Click mySiskiyous in the navigation bar at the top of the COS homepage, or go to my.siskiyous.edu. This will take you to a Microsoft sign-in page. Enter your COS email address, found in your COS welcome letter. If you cannot find your email address, contact the Student Help Desk using the information below.

Click Next, then enter your password, also found in your COS welcome letter. The first time you log into your account, it will force you to change your password. Your new password must contain characters from at least three categories (uppercase letter, lowercase letter, number, special character), and cannot contain your first or last name or the word “eagles.”

Once you have changed your password, you will be required to set an authentication method. You can choose to download and set up the Microsoft Authenticator app on your phone, or you can click “I want to set up a different method” and set a method consisting of answering security questions or receiving a code via alternate email, a text message, or a phone call.

If you have followed these instructions and are still unable to access your account contact the Student Help Desk with your name, contact information, and either your student ID number or your date of birth and the last four digits of your social security number. (<https://www.siskiyous.edu/studentsupport/>)

Step 6: Register for Classes

Registration may be completed through the mySiskiyous student portal or by filling out a registration form and returning the form to Admissions and Records. For instructions on adding courses online visit www.siskiyous.edu/admissions/registeringmysiskiyous.htm.

Step 7: Pay your Fees

All fees are due upon registration. Classes may be paid for in the following ways:

- Financial Aid
- Payment Plan
 - Contact the Business Office to set up a payment plan.
- Pay in Full
 - Online through your mySiskiyous student portal under the Registration tab - "Pay Bill"
 - In person at the Business Office.

Step 8: Your Siskiyous Email

Siskiyous students have access to Microsoft Office 365, which provides each student an email account once you have registered for classes (or are waitlisted for a class). Please wait 24 hours after registering for your account to become active. Your email account is used for all official communications from the College, so please be sure to check it regularly or have it forwarded to an account you check often.

Go to <https://outlook.office365.com/owa/> and log in with your full COS student email address. Your COS student email address will be your mySiskiyous user name, followed by @siskiyous.edu (username@siskiyous.edu). Your default password will be your student ID number followed by a hyphen and your birthdate (S#####-MMDDYY).

More information regarding your student accounts and other student resources is available on the Student Support page (www.siskiyous.edu/studentsupport/). If you need additional assistance to access your COS student email, please write to the Student Help Desk (studenthelpdesk@siskiyous.edu) or call (530) 938-5523.

RETURNING STUDENTS & K-12 STUDENTS

Steps for Enrollment

Returning Students:

If you have been absent from the college for over one year, you will need to reapply (See Step 1 on Page 5). Otherwise, start with Step 5 of New to Siskiyous – First Time or Transfer Student (See Page 5).

Admission for K-12 Students (Dual Enrollment):

College of the Siskiyous encourages students in the K-12 system to enroll for advanced educational enrichment with the approval of their principal or counselor and parent/guardian. K-12 students may take up to 11 units during a semester. California residents are exempt from enrollment and health fees, but not from other registration fees. Fees for non-residents still apply.

Dual enrolled high school students can earn high school credit and get a jumpstart on classes that may apply toward a certificate or degree at College of the Siskiyous and/or transfer to a four-year college or university.

By taking one class per semester starting their freshman year of high school, a student could save up to \$1,200 and complete 28% of a Bachelor's Degree. Learn more at www.siskiyous.edu/admissions/k12/index.htm.

Eligibility:

- Student must be enrolled in high school or middle school while the student is enrolled in the college courses.
- Student must have permission from both parent/guardian and high school official to take college coursework.

TUITION AND OTHER FEES

Tuition and Fees:

All enrollment fees are due at the time of registration. Please take one of the following steps:

- Pay fees in full - Pay online using your mySiskiyou account or in person at the Business Office located in the Student Center (Building 1). We accept cash, first party checks, Discover, MasterCard, Visa, and money orders.
- Set up a payment plan - Make payment arrangements to pay your fees by creating a contract with the Business Office. Financial aid may be considered when creating a contract to pay if all required documents have been submitted to the Financial Aid office.

Students who do not pay fees or make arrangements to do so may be dropped from their classes for non-payment of current fees and/or existing unpaid balances.

Note: Fees are subject to change without notice pending Board of Trustees and California State Legislature actions. Fees that may be waived include: Health Fee, Student Activity Fee, COS Student Representative Fee, and CA Student Representative Fee (see website for fee waiver form).

Community Education classes (classes starting with the letter X) will not be refunded after the first day of class.

Refunds: Refunds are processed automatically if courses are dropped within the refundable timeline and can take approximately four weeks to process. A student may receive a refund for:

- Enrollment fees, if the student reduces their units of enrollment not later than the end of the second week of instruction.
- The health fee, if the student withdraws totally from the college prior to the first day of classes.

Type of Fees	Amount	Required of
Enrollment Fees	\$46 per unit	All students except those qualified for a fee waiver.
Oregon Exchange	\$69 per unit	All students attending COS from Oregon participating in the Oregon Exchange Program. Students must apply to receive the discounted rates.
Oregon Good Neighbor	\$184 per unit	All students attending COS from Oregon who do not qualify for the Oregon Exchange. Students must apply to receive the discounted rates.
Out-of-State Students / International Students	6 or fewer units: \$46 per unit 6.5 or more units: \$338 per unit (\$292 Non-resident + \$46 Standard Enrollment Fee per unit)*	All students who are considered not to be residents of California, or who are not on the Oregon Exchange Program. *Plus the \$46 per unit Enrollment Fee.
Western Undergraduate Exchange	\$69 per unit	All students attending COS from qualifying states participating in the WUE program. Students must apply to receive discount.
Health Fee	Fewer than 12 units: \$17 12+ units: \$20	All students except those who use prayer for healing (must be documented) - Non Refundable as of the first day of the semester.

AB 2210 – Special Immigrant Visa Fee Waiver: “Education Code Section 68075.6 grants an immediate nonresident tuition fee exemption to eligible Special Immigrant Visa (SIV) holders and refugee students who settled in California upon entering the United States. This exemption is granted for one year from the date the student settled in California upon entering the United States.

FINANCIAL AID AVAILABLE TO STUDENTS

Applying for financial aid can be a complex and confusing process and the Siskiyou Financial Aid staff are available to help. Services are available in person and virtually by phone, email and Zoom video chat. Complete the FREE Application for Federal Student Aid (FAFSA) to determine what type of financial aid you may be eligible to receive. The FAFSA will be used to determine eligibility for:

- **Pell Grant and Federal Supplemental Grant (FSEOG)** - These grants are financial assistance based on need and other criteria and do not have to be repaid.
- **Federal Work Study (FWS)** - Students earn money through part-time employment on campus.
- **Federal Direct Loan(s)** - Students must complete a FAFSA before applying for a loan. Loans must be repaid. Repayment begins six months after the student graduates, drops below six units, or withdraws from school.
- **California College Promise Grant (CCPG)** - The California College Promise Grant is available to California residents and AB 540 students who meet eligibility criteria. The California College Promise Grant waives the enrollment fee. There are three types of CCPG fee waivers (Methods A, B, and C).
- **California State Grants (Cal Grant):** Cal Grants are for California residents that meet specific financial and academic eligibility requirements. Awards may be used only at qualifying colleges in California and do not need to be repaid.

Students applying for financial aid should complete and submit their FAFSA by March 2nd for the next upcoming academic year.

If you are an undocumented student and cannot complete the FAFSA, you may complete the California Dream Act application - <https://www.csac.ca.gov/undocumented-dreamerstudents>. Deadlines apply. Certain exceptions do apply. See the California Student Aid Commission's website for further information.

Scholarships: A variety of scholarships are available at College of the Siskiyous. The requirements vary among the scholarships. For more information regarding application and deadlines access the following website: <http://www.siskiyous.edu/foundation/scholarships.htm>

RESIDENCY REQUIREMENTS

www.siskiyous.edu/admissions/residency.htm

The California Education Code states that all public institutions of higher education shall apply uniform rules in determining a student's residency classification. Each student applying for admission to College of the Siskiyous will, therefore, be classified as a resident or non-resident of California in accordance with the Education Code. Each student shall provide such information and evidence of residency as deemed necessary. The day immediately preceding the first day of instruction for the semester shall be the residency determination date for the fall and spring semesters. The day immediately proceeding the first day of instruction shall be the residency determination date for all summer sessions.

Resident: Applicant who has documentation of at least one full year of continuous legal residency in California immediately prior to the residency determination date for the semester or summer session for which they seek admission. The applicant must also prove that they intend to make California their permanent home.

Non-resident: An applicant who has not maintained a full year of continuous legal residency in California, immediately prior to the residency determination date, for the semester or summer session for which they seek admission.

Unknown – Possible Resident: Needs further documentation.

Establishing Residency: In order to establish California residency, a student must first be a citizen of the United States, a permanent resident or an applicant for permanent residency, or on visa status, that does not preclude him/her from establishing domicile in the United States. It is necessary that there be both "act" and "intent." The act necessary to establish legal residency is physical presence of one year and one day in California. While intent may be subjective, there are many possible indications of one's intent to maintain legal residency in California. It is the responsibility of the applicant to furnish information and evidence of both physical presence and intent, as requested by the Admissions & Records Office. Information on establishing residency is available online.

Statutes: The statutes regarding residency determination are found in Sections 68000-68090 and 76140 of the California Education Code, Sections 54000-54082 of the California Administrative Code, and College of the Siskiyous District Board Policy. These regulations are available in the Admissions & Records Office and are subject to the interpretation of the College.

NUMBERING**

Common Course Numbering (CCN)

To simplify credit transfer between community colleges, the California Community Colleges Chancellor's Office has adopted a statewide numbering system through the Common Course Numbering project (AB 1111). This system will eventually provide a standardized set of subjects and course numbers across all California Community Colleges, ensuring that equivalent courses have the same identifier, regardless of the college offering them. The first six of these courses (at minimum) are being implemented statewide in Fall 2025. Additional courses will be converted to commonly numbered courses over the next several years.

The **Common Course Numbering** system helps students plan their academic journeys with confidence, particularly when transferring to the University of California (UC) and California State University (CSU) systems. This initiative supports seamless articulation agreements and reinforces consistency across the state's diverse community colleges. By aligning course numbers, students can more easily identify transferable credits, reducing confusion and streamlining their educational pathways.

At College of the Siskiyous, the following list of classes will be updated with new course numbers and titles starting with the Fall 2025 semester:

OLD COURSE	NEW COURSE
COMS 1100 Public Speaking	COMM C1000 Introduction to Public Speaking
ENGL 1001 College Composition	ENGL C1000 Academic Reading and Writing
ENGL 1502 Argumentative Writing and Critical Thinking	ENGL C1001 Critical Thinking and Writing

UNDERSTANDING THE SCHEDULE OF CLASSES

Changes may be made to course offerings.

Visit the College website

(<http://www.siskiyous.edu/>)

and click on 'Class Schedule'

for the most up to date course information.

The Schedule of Classes provides information about the courses offered by College of the Siskiyous. The classes include a mix of vocational, workforce skills, technology, recreation, art, physical, and intellectual activities. The College offers courses taught online and remotely to reach students in outlying areas of Siskiyou County and beyond. Online and remote classes can be taken from any Internet-connected computer.

SPECIAL PROGRAMS OFFERED THROUGH COLLEGE OF THE SISKIYOU

UC Davis AvenueM - Pathway to Medical School

AvenueM is a community college to medical school pathway program that aims to reduce barriers to entry to medical and other healthcare careers. UC Davis School of Medicine will partner with three 4-year institutions – UC Davis, California State University (CSU), Sacramento, and Cal Poly Humboldt – and a network of community colleges feeding into them, to establish this robust educational ecosystem. AvenueM aims to provide support and mentorship to students from all communities that have been historically excluded in medicine to become physicians. Learn more at:

Continuing Education - Enroll in Zero Cost Classes!

Continuing education serves as the perfect starting point for those interested in pursuing education beyond a degree program. Our students embark on this journey for various reasons, such as working toward credit courses, advancing their professional development, or seeking personal enrichment. Embrace the freedom to explore beyond the constraints of a traditional degree program. Noncredit courses and programs are an excellent opportunity to receive a great education for free! California community colleges offer noncredit courses at no cost to students. Learn more at
<https://www.siskiyous.edu/continuinged/>

Degrees When Due

In 2019, College of the Siskiyous partnered with the Institute for Higher Education Policy to implement a national initiative called Degrees When Due. It is a completion and equity initiative to help states and colleges increase degree attainment among the “some college, no degree” population. If you have attended college but have never completed a degree this option is for you. College of the Siskiyous accepts credits from all Accredited Degree granting Institutions. Here are your next steps to complete. Learn more at:
<https://www.siskiyous.edu/admissions/degreeswhendue.htm>

Concurrent (Dual) Enrollment

College of the Siskiyous offers different ways to earn college credit for students still in middle or high school, either at a participating high school or at COS. Both options have a max cost of \$12.00 and may even count at both schools. Taking college classes in middle or high school can save you time and money, and it helps prepare you for college. Future Educator Support (Teacher Preparation) Program - Butte County Office of Education

Future Educator Support (FES), is a program of Butte County Office of Education that partners with California colleges (including College of the Siskiyous), Local Educational Agencies, and Migrant Education programs throughout the state in providing programs and services. Through the teacher pathways, FES strives to address the teacher shortage in the state of California by developing high-quality 21st-century educators to support our language learners across the state. The post-secondary program recruits college students, and working adults interested in becoming teachers. Future teacher candidates are set up for success as they participate in our teacher pathways and receive individualized student support, in-house advising, and an array of platforms for test preparation. International Students

Welcome! We are very happy that you are considering College of the Siskiyous as a great place to begin your higher education. We look forward to hearing from you, answering your questions, and welcoming you. COS is also unique in that we are one of a few two-year colleges that offer on-campus housing. Many International students spend at least their first year in the residence halls, which offer meal plans and activities. Students tell us the best thing about COS is the helpful staff, excellent education, help for writing, reading, math, the friendly faculty, and the beautiful location. COS is certified by Student & Exchange Visitor Program to issue Form I-20, Certificate of Eligibility for Nonimmigrant Student Status. Visit our website for information needed to complete the application process for issuance of the Form I-20. Email international@siskiyous.edu if you have any questions regarding the required documents or the application process. Learn more at:
<https://www.siskiyous.edu/international/>

Universal Learning at College of the Siskiyous

Without having to leave your country, Siskiyous Online Program for International Students (SOPI) offers Associate degrees and university transfer credit online. SOPI provides International Students with the support needed to successfully complete online courses. All of College of the Siskiyous online instructors are online certified and are trained to provide high quality instruction and individualized assistance. After participating in SOPI, International Students, with an F-1 Visa, can choose to apply to Siskiyous to continue their program in person. Learn more at:
