- **Option B** – E-signature. We have set up the registration form to be signed electronically from your computer. Complete the form with the class you are interested in and sign electronically. Once you hit submit it automatically delivers the form to the Registration Office.

- **Option C** – PDF Printable. If you do not want to sign electronically you can print a copy of the registration form and either, fax or email it in to our office.

- **Option D** – In person at the Weed or Yreka Campus. Call the Admissions and Records Office for information regarding service hours or other information.

  Phone: (530) 938-5500
  Fax: (530) 938-5367
  Email: registration@siskiyous.edu
  Location: Student Center (Building 1), Weed Campus
**Step 1: Apply to the College**
Prospective students must complete an application to attend. Go to the Siskiyous homepage (www.siskiyous.edu), click on “Apply” and then follow the instructions.

- Within 24 hours, you will receive an email confirmation with your new Siskiyous student ID (also known as S number) and the mySiskiyous student portal login information.
- Contact Admissions and Records if you do not receive this email.

**Step 2: Apply for Financial Aid**
Many people do not realize that they qualify for Financial Aid benefits, so we recommend that everyone apply. Fill out the Free Application for Student Aid (FAFSA) to get started. The FAFSA helps determine whether students are eligible for Federal loans, grants or work-study programs.

What you will need:
- A Federal Student Aid ID to sign electronically
- Your Social Security Number
- COS College school code: 001187
- Your federal income tax returns, W-2s and other records of money earned

Note: The FAFSA asks about 100 questions and can take about 30 minutes to fill out. If you gather all of the documents you need ahead of time, it will be much easier and faster. After you complete the FAFSA, allow 5-7 business days for the Financial Aid Office to process your application. Check the status of your application by logging into the mySiskiyous student portal and clicking on the ‘Billing & Financial Aid’ tab. Contact the Financial Aid Office if you have questions.

**Step 3: Send in Official Transcripts**
COS uses a holistic approach in assessing a student’s overall preparedness for courses such as math and English. To expedite placement in your classes send in your official high school or college transcript to:

College of the Siskiyous  
ATTN: Admissions and Records  
800 College Ave  
Weed, CA 96094

**Step 4: Orientation**
Your next step is to set up a Siskiyous Orientation, Advising and Registration (SOAR) Session. SOAR sessions can be completed in person or online. To schedule a SOAR contact our Counseling and Student Support Programs department:

Email: counselingservices@siskiyous.edu  
Phone: (530) 938-5353

What is a SOAR? A SOAR session is a mandatory orientation for new students. During your SOAR session you will receive advising, a class schedule, and a campus tour. Please check the SOAR web page for more details and dates of upcoming orientations. (https://www.siskiyous.edu/counseling/orientation/)

**Step 5: Access your mySiskiyous Portal**
Click mySiskiyous in the navigation bar at the top of the COS homepage, or go to my.siskiyous.edu. This will take you to a Microsoft sign-in page. Enter your COS email address, found in your COS welcome letter. If you cannot find your email address, contact the Student Help Desk using the information below.

Click Next, then enter your password, also found in your COS welcome letter. The first time you log into your account, it will force you to change your password. Your new password must contain characters from at least three categories (uppercase letter, lowercase letter, number, special character), and cannot contain your first or last name or the word “eagles.”

Once you have changed your password, you will be required to set an authentication method. You can choose to download and set up the Microsoft Authenticator app on your phone, or you can click “I want to set up a different method” and set a method consisting of answering security questions or receiving a code via alternate email, a text message, or a phone call.

If you have followed these instructions and are still unable to access your account contact the Student Help Desk with your name, contact information, and either your student ID number or your date of birth and the last four digits of your social security number. (https://www.siskiyous.edu/studentsupport/)
Step 6: Register for Classes
Registration may be completed through the mySiskiyous student portal or by filling out a registration form and returning the form to Admissions and Records. For instructions on adding courses online visit www.siskiyous.edu/admissions/registersmysiskiyous.htm.

- Payment Plan
  - Contact the Business Office to set up a payment plan.

Please wait 24 hours after registering for your account to become active. Your email account is used for all official communications from the College, so please be sure to check it regularly or have it forwarded to an account you check often.

RETURNING STUDENTS & K-12 STUDENTS

Dual enrolled high school students can earn high school credit and get a jumpstart on classes that may apply toward a certificate or degree at College of the Siskiyous and/or transfer to a four-year college or university.

By taking one class per semester starting their freshman year of high school, a student could save up to $1,200 and complete 28% of a Bachelor’s Degree. Learn more at www.siskiyous.edu/admissions/k12/index.htm.

Eligibility:
- Student must be enrolled in high school or middle school while the student is enrolled in the college courses.
- Student must have permission from both parent/guardian and high school official to take college coursework.

Applying for financial aid can be a complex and confusing process and the Siskiyous Financial Aid staff are available to help. Services are available in person and virtually by phone, email and Zoom video chat. Complete the FREE Application for Federal Student Aid (FAFSA) to determine what type of financial aid you may be eligible to receive. The FAFSA will be used to determine eligibility for:

- **Pell Grant and Federal Supplemental Grant (FSEOG)** - These grants are financial assistance based on need and other criteria and do not have to be repaid.
- **Federal Work Study (FWS)** - Students earn money through part-time employment on campus.
- **Federal Direct Loan(s)** - Students must complete a FAFSA before applying for a loan. Loans must be repaid. Repayment begins six months after the student graduates, drops below six units, or withdraws from school.
- **California College Promise Grant (CCPG)** - The California College Promise Grant is available to California residents and AB 540 students who meet eligibility criteria. The California College Promise Grant waives the enrollment fee. There are three types of CCPG fee waivers (Methods A, B, and C):
- **California State Grants (Cal Grant)**: Cal Grants are for California residents that meet specific financial and academic eligibility requirements. Awards may be used only at qualifying colleges in California and do not need to be repaid.

Students applying for financial aid should complete and submit their FAFSA by March 2nd for the next upcoming academic year.

If you are an undocumented student and cannot complete the FAFSA, you may complete the California Dream Act application - https://www.csac.ca.gov/undocumented-dreamerstudents. Deadlines apply. Certain exceptions do apply. See the California Student Aid Commission’s website for further information.

RESIDENCY REQUIREMENTS

The California Education Code states that all public institutions of higher education shall apply uniform rules in determining a student’s residency classification. Each student applying for admission to College of the Siskiyous will, therefore, be classified as a resident or non-resident of California in accordance with the Education Code. Each student shall provide such information and evidence of residency as deemed necessary. The day immediately preceding, the first day of instruction for the semester shall be the residency determination date for the fall and spring semesters. The day immediately proceeding the first day of instruction shall be the residency determination date for all summer sessions.

Resident: Applicant who has documentation of at least one full year of continuous legal residency in California immediately prior to the residency determination date for the semester or summer session for which they seek admission. The applicant must also prove that they intend to make California their permanent home.

Non-resident: An applicant who has not maintained a full year of continuous legal residency in California, immediately prior to the residency determination date, for the semester or summer session for which they seek admission.

Unknown – Possible Resident: Needs further documentation.

Establishing Residency: In order to establish California residency, a student must first be a citizen of the United States, a permanent resident or an applicant for permanent residency, or on visa status, that does not preclude him/her from establishing domicile in the United States. It is necessary that there be both “act” and intent. The act necessary to establish legal residency is physical presence of one year and one day in California. While intent may be subjective, there are many possible indications of one’s intent to maintain legal residency in California. It is the responsibility of the applicant to furnish information and evidence of both physical presence and intent, as requested by the Admissions & Records Office. Information on establishing residency is available online.

Statutes: The statutes regarding residency determination are found in Sections 68000-68090 and 76140 of the California Education Code, Sections 54000-54082 of the California Administrative Code, and College of the Siskiyous District Board Policy. These regulations are available in the Admissions & Records Office and are subject to the interpretation of the College.
