Title: _____

I am requesting enrollment in the above course on a P/NP grading option. I understand that:

1. P/NP courses cannot be in major field.
2. Some transfer colleges and universities **may not** allow P/NP courses in degree minors or general education.
3. P/NP courses **are not** calculated in COS Grade Point Average.
4. PASS units earned **are not** counted toward unit load for President's List, Dean's List, or for Phi Theta Kappa membership.
5. Students may elect to take one regularly graded course on a P/NP basis each semester.
6. A PASS is awarded when a grade of A, B, or C is earned. A NO PASS is awarded when a grade of D or F is earned.
7. The P/NP grading option may not be changed once this form is submitted to Admissions & Records.
8. Petition must be submitted by last day of instruction as established and published by the district.

I have met with a Counselor or Advisor (Name) _____ in regards to how this will affect my degree or transfer status.
