The Siskiyou Joint Community College District is committed to providing a safe and healthy learning environment. The Superintendent/President shall establish procedures to assure cooperation with local public health officials in measures necessary for the prevention and control of communicable diseases in students. Administrative procedures will include that all students on the Weed and/or Yreka campuses for any face-to-face instructional and student support activities (e.g., office hours, classes, library, tutoring, etc.) have shown proof of receiving an approved COVID-19 vaccine or have agreed to submit weekly COVID-19 test results.

The effective date of this procedure will be January 14, 2022. These procedures will remain in effect until the District determines these procedures are no longer necessary. These procedures may be amended, revoked, or reinstated at any time.
