Student health services shall be provided in order to contribute to the educational goals of students by promoting physical and emotional well-being through health-oriented programs and services.

The Student Health Fee paid at registration provides the following services for students:

- Free services at the Health Clinic through a health care provider holding an agreement with College of the Siskiyou.
- Accident insurance for class related injuries. This is a secondary policy which covers students during the time they are enrolled. The College does not assume any responsibility for student accident or injury beyond the coverage provided by the student accident insurance (AP 5205).
- Health education programs and events.
- Mental health counseling through a mental health care provider holding an agreement with College of the Siskiyou.

Students may purchase health insurance separately.
