FIRE DRILL INTRODUCTION

HOW WILL WE KNOW?

Everbridge All-Call System

After attending Siskiyous for my first year of college I decided to enroll in a four-year university. However, I soon recognized that returning to Siskiyous and completing my General Education degree requirements was the better choice for me. I was able to take the time I needed to reflect and understand that switching my major and professional route would be to my benefit. The staff at Siskiyous helped me get where I am now by being there for me at every turn. College of the Siskiyous has a multitude of programs to help students achieve their goals and this sets them far apart from any other community college.

Boards and Councils: Academic Senate, Associated Student Board, Citizens' Bond Oversight Committee, College Council, Current Board Agenda, Foundation Board of Directors

BUILDING STEWARDS

EVACUATION POINTS

UPCOMING TRAININGS AND DRILLS

Building Steward

Training for those indicated as Building Stewards. Building Stewards are responsible for insuring that all individuals have been vacated from specific areas of the campus.

ICS-100

The overall course goal is to promote effective response by:

- Familiarizing you with the Incident Command System (ICS) and the NIMS principles used to manage incidents.
- Preparing you to coordinate with response partners from all levels of government and the private sector.

RED CROSS PRESENTATION

Dwayne Taaffe and Ladonna Devenberg
Disaster Program Volunteers, Disaster Services
Serving: Shasta/Lassen/Modoc/Siskiyou Counties
