## **Committee's Charge:**

*The Integrated Planning and Budget Committee supports student learning by ensuring that budgeting at College of the Siskiyous is prioritized in way that meets the institution's short and long-term strategic plans. The committee accomplishes this by serving as the primary body in the creation or recommendation of budget assumptions, budgets, and short and long-term plans that further the mission of the College. The recommendations of the Integrated Planning and Budget Committee will be sent to College Council.*
