College of the Siskiyous

Web Team

Meeting Notes

October 21, 2015

1:00 pm

DLC 4

Present: David Fleet, Jim Gilmore, Ben Harris, Eric Houck, Nancy Shepard, Dawn Slabaugh

1. Review of last meeting notes and followup on action items – no followup yet from Athletics on PrestoSports

2. Website rebuild and/or refresh – we need to migrate from the current web server running the windows 2003 OS. This is critical because the hardware has been out of support for at least 5 years and the operating system has been deprecated since July 15, 2015. This is a single point of failure that is unsupported. No disaster recovery.

   Possibility of LookingGlass grant for related project – Chris will look into this. Sharepoint is not recommended for web designs, whereas WordPress is. Nancy will contact Happy Dog Designs to get quote for evaluation from Dana Bandy.

3. Management of web build/website maintenance going forward – not discussed

4. Other
