

WEED CITY FIRE DEPT SLEEPER PROGRAM

Interested in a career with the fire service?

The Weed City Sleeper Program is a great place to start. As a sleeper firefighter you live at the fire station and respond to all risk emergencies including fires, medical aids, rescues, and many more. WFD responds to multiple wildland fires throughout the state and sleeper firefighters would have the opportunity to gain great on the job training while on these fires. This live-in firefighter program prepares you for all aspects of the fire service. The Weed City Fire Department provides training and experience to prepare you for a career in the fire service.
