Recognition of the Scholarship

This scholarship may be publicized and listed as sponsored by me/my organization.

For press release purposes, please enclose any information about your organization or the individual the scholarship honors.

Endowed scholarships are established with a minimum donation of \$10,000. If an endowed scholarship is established with less than \$10,000, it will be considered an "emerging endowment" and all interest will go into the principal until the \$10,000 level is attained at which time it will become an endowed scholarship.

Notwithstanding, the foregoing, if the emerging scholarship endowment does not reach its \$10,000 corpus (minimum balance) within five (5) years of signing this agreement, the funds will be transferred to the general scholarship fund to be used as the Foundation Board of Directors determines appropriate. An attempt will be made to notify the Donor or the Donor's representative in writing prior to the transfer of funds.

The Foundation shall have authority and discretion to: invest and reinvest said funds (with any other funds owned or held by it absolutely or in its fiduciary capacity) in undivided interests in obligations, or separately in whole interests, or in any other manner, the choice of such investments to be determined by the Foundation or its agent at its discretion; pay all expenses from the endowed scholarship incurred in the administration of the endowed scholarship or emerging endowment, including reasonable compensation to the Foundation for its services, and reasonable compensation to agents and counsel, including investment counsel; exercise all general authority not otherwise provided for herein in its discretion for the administration, control and management of the endowed scholarship or emerging endowment.

The Donor, or other persons/organizations, may at any time add to the fund additional monies, securities, or other assets, which, if accepted by the Foundation, shall become subject to all the covenants, terms and conditions of this agreement.

If, at any time in the future, the College of the Siskiyous Foundation Board determines a need does not exist for this scholarship fund, then the Foundation Board shall have the authority to select an appropriate use for this fund, which in the Foundation's exclusive determination will be representative of the wishes of the Donor(s). If changed circumstances make illegal, impractical, or impossible the expenditure of the funds in accordance with the terms of the gift and the donor is not able to agree to proposed changes in the terms, the institution will seek the advice of the California Attorney General.
