- Welcome – *Everyone was welcomed, and signed in.*
- Additions/corrections to note from Oct 23 meeting – *None.*
- Small group responses for focus areas – *Results of the survey for participation in each focus area were shared; some folks opted for their 2<sup>nd</sup> choice area so that the areas would have a similar number of people working within each. Leaders for each focus group were selected. These leaders will be contacting their groups to set meeting days/times. For those who did not respond to the survey and would like to join a group, please contact the leaders of that focus area/group.*
  - a. *Recruitment/Outreach leaders – Meghan and Athena with five pillar 2 members*
  - b. *Enrollment/Enrollment Management leaders – Ron and Melissa with two pillar 2 members (this group will meet as part of the Enrollment Management Committee so that duplicate meetings are not had)*
  - c. *Career Exploration leaders – Christina and Marcy with six pillar 2 members*
  - d. *Onboarding/Orientation leaders – Josh and Charlie with five pillar 2 members*

*The pillar 2 group agreed that areas of focus for small groups would be:*

- *What components are needed in each area?*
- *What are we doing now? What do you want/need?*
- *Where are the gaps? What data is needed?*
- *How do we assess the efforts we implement?*
- *Need for additional large group meetings per month - No additional large group meetings will be held, allowing for the small groups to meet once or twice per month. Small groups meeting day/time/frequency will be shared at the next large group meeting.*
- *Data – Melissa was not at the meeting to share the data agreed on from the previous meeting. At this time the large group is not requesting general data, and the focus groups will determine what data is needed and request it from Melissa and/or Nathan. Each focus group will also contact Nathan for assistance with student surveys and/or focus groups as needed.*
