Guided Pathways Vision (draft)

College of the Siskiyous will create a holistic, student-centered experience with streamlined pathways, optimal learning and lodging environments, tailored support services and clear institutional processes.

Pillar 3 Feedback: Concern- too much information and some redundant.

ACTION: Other Pillar teams to meet and provide feedback.

IV. Recap of Convocation Activity and discussion RE: Design Team Deadlines:

a. Complete Maps by Oct 24th (Flex Day Activity)?

Last Dec. Flex Activity. Currently, Faculty are overloaded so, not sure how many have the bandwidth to complete the maps. Perhaps we can streamline curriculum/program archive/updates and mapping practices? Nathan showed example of Pierce College Program Mapper.

ACTION: To research past activities and data collected on mapping and meta majors. Sunny to send tool-kit.

b. Schedule Student focus groups (to group programs as well as obtain feedback for ‘Meta Major name’) by Nov. 14, 2020.

Pillar 1: To take the lead on Student Groups for Meta Majors.

ACTION: Brainstorm ideas on soliciting student involvement and obtaining ‘Meta Majors’ data. Get ASB involved and suggest an activity that can be done online.

Brainstorm incentives (GP funds cannot be used for gift cards). Idea: purchase pizza dinners (3) as a randomly selected ‘prize’ for submitting feedback?

20-21 Goals

- I. Confirm Vision**
- II. Develop Student Survey (included in SEM Plan)**
- III. Complete pathway mapping and confirm ‘Meta Majors’**
- IV. Complete LFM and integrate into GP Implementation**

Other: Pillar 4 Co-Chair
