

Guided Pathways Pillar 4 Meeting 11/19/2020 – Notes

1. Time and Date Discussion: December and Spring
 - a. **Notes:** December meeting has been canceled because of vacation plans and end-of-term business. Spring meetings will occur on the second Thursday of each month from 10-11am.
2. Update from the Steering Committee
 - a. **Notes:** Pillar lead provided brief overview of recent Steering Committee presentation on software for tracking student job applications. Members asked about the possibility of having a cross-pillar “catch-up” meeting in the future, idea will be brought by pillar lead to next regularly scheduled Steering Committee meeting.
3. Continuing Project – Institutional Learning Outcomes
 - a. **Notes:** Pillar 4 membership excited to work on cross-area project. Tentative concepts for ILOs discussed such as “student survival skills” and a “self-empowerment mindset”. Discussion about evaluation of ILOs, preferably using existing work in different areas, will resume in the Spring term meetings.
4. Continuing Discussion – Funding requests and ideas for other pillars
 - a. **Notes:** Pillar 4 membership is excited at the links between their mission for intentional outcomes and the potential growth/expansion of our work experience program. Committed to requesting funding for pilot program if needed after the new coordinator and program direction are given time to settle.
5. Adjournment
