- **Suggestion Box (x1):** Question regarding discontinuing wearing masks while indoors and comment-The Mask Protocol will be updated as soon as the guidance from CalOSHA and SCPH is updated. Current guidance asks that all individuals wear masks indoors regardless of vaccination status. Details regarding the Mask Protocols, which addresses masks while eating and drinking, can be accessed in our [COVID-19 Prevention Plan](#).
Comment: Please review vaccinations. Students and employees alike should be encouraged—financially and otherwise to be vaccinated: MMR, Shingles, Chickenpox, Flu, COVID as vaccinating people increases productivity, decreases cost, and increases general productivity. Thank you!

On a personal note, I want to thank everyone for your patience, flexibility and understanding as we navigate towards the end of the semester. It has been a rough road. In addition to

everything COVID related (updating of policies and procedures, onboarding of new COVID staff, implementation and preparing for new COVID requirements, adopting new 'COVID' technology), we also have had to make decisions regarding the Theater Building and Student Housing.....oh ya and review/approve various plans: Facilities Master Plan, Technology Master Plan, Strategic Enrollment Management Plan, Integrated Planning Guide, and Local Decision Making Handbook, all while developing and reviewing the College's Institutional Self Evaluation Report (ISER). I would like to wish all of you a well-deserved Thanksgiving Break. **As such, we are closing the campus at 2pm on Wednesday, Nov. 24th** to give you needed time to prepare for the Holiday. A more detailed email will be sent Monday morning regarding leave forms.
