*The College is committed to providing a safe, educational environment and as a result, the Siskiyous Mask Policy, which requires all individuals to wear a mask while indoors regardless of vaccination status, will remain in-place and will be re-assessed 2-weeks after Spring Break (April 15<sup>th</sup>). This decision is based on the County's COVID-19 rates as well as consideration of individuals who may be traveling out of the area for Spring Break.*

- **March 8<sup>th</sup> is International Women's Day!** Did you know that, on average, women make 83% of what men earn yet, women make up close to 47% of the workforce and, as many as two-thirds are primary or co-breadwinners of their families? At the current rate of progress, the gender pay gap will not close until 2111. You may ask, what can I do? The American Association for University Women (AAUW) has a number of resources for you to use and/or share such as [Work Smart & Start Smart: Salary Negotiation](#). This page contains online trainings related to Work Smart: Confidence and

negotiating for a raise, Start Smart: Salary Negotiation and, Empower: Closing the leadership gap. This year's International Women's Day theme is #BreakTheBias. Advocate for gender equity today!
