Hello Siskiyous and happy last week of June (time flies!)

*This week's brief updates*

- **Enrollment Report:** The first Fall Semester enrollment report has been posted and it can be accessed [here](#). So far, our credit enrollment is looking good! Kudos to the Office of Academic Affairs!
- **COVID Status:** Currently the College has zero positive cases! Hoorah!
- **Weed Rotary Golf Tournament:** Scheduled on Saturday July 23<sup>rd</sup> at the Weed Golf Club located at 27730 Old Edgewood Rd, Weed, CA 96094. See attached flyer for registration and start time information!
- **Year-End Review:** As we close out this academic year, I want to formally recognize our numerous accomplishments. I am currently working with leaders on campus to gather information (I want to make sure I don't miss anything!). The document will be emailed to the campus and presented at the August 16<sup>th</sup> Regular Board Meeting. Thank you everyone for your invaluable contributions! I can't tell you how much your work is appreciated!
