Hello Siskiyous,

I hope all of you are doing and are taking care of yourselves. I know the last couple weeks have been stressful (to say the least). Stress presents itself in a variety of ways including: body aches, changes in appetite, anxiety, insomnia and depression. An on-campus Crisis Counselor will be available on Thursday, Sept. 15th from 9a - 3p. Appointment link to be sent tomorrow. A therapist, Dr. Morrow (bio attached), is available for scheduling this Saturday and Sunday. To schedule a 30 min. session, visit: https://calendly.com/dr_gloria_morrow/30min. These sessions will be conducted via phone.

I would also like to take this time to acknowledge our fire fighters and emergency personnel. This fire, although devastating to our community, could have been much worse. I cannot express our gratitude for the tireless efforts to save our community.

This week's updates:

- **Enrollment Report:** Can be accessed [here](#). We are slightly down in credit and up in noncredit FTEs compared to this time last year.
- **COVID Status:** Currently, we have 2 positive cases. Both cases have not been on-campus for over a week (hence the reason why you haven't received an email notification).
- **Physical Plant and Instructional Equipment Block Grant:** The College has been awarded \$4.7 million. There are specifications on how these funds can be spent. If there's a Facilities or Instructional need, please convey the request, with approximate cost or quote, to your immediate supervisor to determine if it may be eligible for funding.
- **Veterans Resource Center (VRC):** It was mentioned that, at times, the VRC is locked. If you notice the VRC being locked, please reach out to Student Services so they can unlock the door.
- **VPAA/VPAS Recruitments:** We are still in the process of finalizing our recruitments. I

will provide an update when I have more information.

- **Reminder: Theater Building Town Hall:** Thurs. Sept. 15th at 4p. Everyone should have received the Zoom link. If not, please email me.

SJEDI Corner:

- **National Hispanic Heritage Month Sept. 15th – Oct. 15th:** Hispanic Heritage Month recognizes the achievements and contributions of Hispanic American champions who have inspired others to achieve success. The 2022 theme is 'Unidos: Inclusivity for a Stronger Nation'. The theme encourages us to ensure that all voices are represented and welcomed to help build stronger communities and a stronger nation (<https://nationalcouncilhepm.org/>). According to nps.gov, more than 500 years of Hispanic and Latino history and heritage can be found in national parks or shared through National Park Service programs and partners in communities across the country. A wealth of educational resources on American Latino Heritage places, people, and history can be accessed [here](#).
