Hello Siskiyous and Happy Developmental Disabilities Month!

Each March, the National Association of Councils on Developmental Disabilities (NACDD) select artwork as part of their social media campaign 'to raise awareness about the inclusion of people with developmental disabilities in all facets of community life, as well as awareness of the barriers that people with disabilities still sometimes face in connecting to the communities in which they live'. This year's selected artwork is below.

Additionally, in acknowledgement of Disabilities Awareness month, our own Student Access Services (SAS) Program is hosting an Open House! The open house is scheduled on March 22 and March 23 from 10a - 4p in Eddy Hall Room 100. Flyer attached.

- **Talk with a Cop (2nd visit):** Weed PD will be on campus this Thursday, March 23rd in the Student Center from 12p - 1p. Stop by, ask questions or just say hello and thank you! For reference, we invited Weed PD to answer any questions people may have if there's a need to dial 9-1-1 and to mitigate any anxiety associated with dialing 9-1-1.
- **Educational Master Plan (EMP)-The Plan:** After researching consultants that could potentially propel our efforts toward EMP completion, it was decided that we develop the EMP with the expertise we have on campus. As such, we will be starting with data collection. Faculty and staff, please complete this [EMP Survey](#) to help inform the direction of the plan. There's also a survey for students and community members which will be available in the April Campus Connection as well as emailed to students. During fall convocation, we will have a facilitated EMP workshop with the following intended outcomes: Review of the EMP survey data, development of the EMP outline, creation of timeline and documentation of milestones.
- **Reminder - Spring Break:** Next week is Spring Break and as such, there will be no All-College email. For those who get Spring Break off.....Enjoy!
