Hello Siskiyous, Happy ASM Week and Happy Philippines Independence Day!

This week's updates:

- **Enrollment Report:** Can be accessed [here](#).
- **Administrative Support Management (ASM) Week June 11 - Jun 16th:** This week is dedicated to our ASM members! Thank you for your countless contributions and unwavering dedication to the College! Words cannot express how appreciative we are of all of you! Please stop by the President's Office to pick up a small token of our appreciation!
- **Siskiyous is a POCR Certified College!** College of the Siskiyous is now a certified local Peer Online Course Review (POCR) college through the California Virtual Campus (CVC)! This accomplishment is HUGE and can be attributed to the leadership of Maria Fernandez and the 13 Faculty who have become POCR certified. Congratulations to everyone for this amazing acknowledgement!
- **Food Services Hours of Operation:** The Weed Campus Eagle Grill has extended its hours from 2pm to 5 pm for Grab and Go service. A variety of items have been added to the Grab and Go selection for students and staff.
- **Need Technology Assistance? Submit a Happy Fox:** The IT Department is working on a number of high priority items over the summer. As such, IT staff may not be able to answer the Tech Services phone. For any IT requests/service, please submit a Happy Fox ticket.

- **June 19th is Juneteenth!** Monday June 19th, 2023 is Juneteenth which is considered our country's second independence day. Juneteenth is recognized as a Federal holiday and commemorates Black American resiliency and our commitment towards eradicating systemic racism. To learn more about the Legacy of Juneteenth, visit [The National Museum of African American History and Culture](#). In honor of Juneteenth, College of the Siskiyous will be closed on Mon. June 19, 2023.
- **Philippines Fun Facts:** In honor of Philippines Independence Day, here are some fun facts:
 - 7,100 – the number of islands constituting the Philippines.
 - 28.1% – the percentage of Tagalog people that make up the Filipino population.
 - 80% – the percentage of people in the Philippines who are Roman Catholic.
 - 108.1 million – the population of the Philippines.

-1521 – the year when Ferdinand Magellan claimed the Philippine islands for Spain.
