Hello Siskiyous and happy National Raspberry Cream Pie Day!

*This week's updates:*

- **Enrollment Report:** There's no enrollment report this week. A report will be made available next week.
- **Fiscal Forward Workshop - CHANGE in DATE - Oct. 19, 2023 2pm - 5pm:** This workshop will include an overview of district responsibilities to report financial and audit information and comply with Title 5 section 58311 Principles of Sound Fiscal Management, summary of fiscal monitoring triggers and interventions, review of district operational efficiency metrics, and discussion of data-informed practices for strategic enrollment management and budget architecture and development. ALL are invited! Outlook invite to follow!
- **Chancellor Christian's Vision 2030:** The Chancellor's [Vision 2030](#) Framework consists of 3 main goals: Equity in Success, Equity in Access and Equity in Support. These goals are accompanied by 6 outcomes. At this Friday's Board of Trustees Retreat, we will be reviewing the Chancellor's Vision 2030 plan and using this framework to inform the 23-24 Board & Superintendent/President Goals.

Random Raspberry facts:

- Raspberries are from the rose family (hence the thorny stems).
- Their genus name is *Rubus*.
- Approximately 100 tiny drupelets cling together to make up one raspberry.

## Contest-Winning Raspberry Cream Pie

This recipe is delicious with either fresh-picked or frozen raspberries. That means you can make it year-round. One bite of raspberry pie will instantly turn winter to summer. —Julie Price, Nashville, Tennessee
