### Suggestion Box Email Responses

Sending early since I will be at the Association of California Community College Administrators (ACCCA) conference on Thursday.

- **Recommend to send a 'warning' regarding sensitive topics that may be shared during keynote:** We were not aware of the sensitive topics that were going to be presented during the keynote. For future incidences, we will have a more in-depth discussion with presenters prior to their presentation.

- **Correct online course catalog for Practical Accounting BA 0920, which states "no text," when in actuality a text is required:** The course is listed as ZTC (Zero Textbook Cost) in the schedule. Students are provided with a link to the ZTC on the first day of class. If they would like to purchase a hard copy of the book they may do so at the bookstore. A notice is now posted in the bookstore to inform students that the hard copy is optional.
- **Request to touch-up ESTC 107 to cover holes and pencil marks:** This has now been added to the Facilities and Maintenance Summer project list.

Starting tomorrow, I will be in route to the ACCCA conference in Garden Grove, CA. I am then serving as Vice Chair for an Accreditation Peer Review Team at Irvine Valley College the week of Feb. 26th. I will be accessible via email (although responses may be delayed).

Thanks and have a great week!
